

Pioneering Tissue Regeneration: Cutting-Edge Technologies Driving the Future of Tissue Repair

with international guest convenor **Dr Giorgio Tabanella**

Join us for an exceptional two-day masterclass led by international guest convenor Dr. Giorgio Tabanella of Italy, a globally respected periodontist and expert in advanced implant dentistry. Dr Tabanella explores the latest breakthroughs in tissue regeneration and modern surgical techniques, with a focus on biologically driven and minimally invasive approaches.

Dr. Giorgio Tabanella

Dr. Tabanella is a Diplomate of the American Board of Periodontology and Active Member of the Italian Academy of Esthetic Dentistry. He is author of the book "Retreatment of failures in dental medicine" and co-author of the book "Building better bone".

He graduated from the University of Southern California-Los Angeles-USA where he obtained the Certificate in Periodontics as well as the Master of Science in Craniofacial Biology.

Learning Outcomes:

- Explain the Biologic Rationale for Success
- Utilise Next-Generation Biomaterials
- Implement Digital & Immediate Approaches
- Perform Advanced Regenerative Techniques
- Follow Standardised Protocols for Predictable Results
- Prevent and Manage Complications

Who Should Attend?

This course is ideal for:

- Periodontists
- Oral and Maxillofacial Surgeons
- Implantologists & Implant Dentists
- Advanced Dental Surgeons

If you perform or plan to expand into implant surgery, bone grafting, or peri-implant tissue management, this program is designed for you.

SUPPORTED BY:

Why Attend?

- Stay at the Forefront of Innovation
- Biologically Driven, Minimally Invasive Techniques
- Digital Workflow & Precision
- Predictable Outcomes with Standardised Protocols
- Expert Guidance and Hands-On Practice

Registration

Registration will open in three limited releases, each based on available capacity rather than set dates. Due to strictly limited attendance for the hands-on component, each release will close as soon as its allocation is filled so we recommend securing your place as early as possible.

Dates & Locations

 **Sydney, Australia | Kimpton Margot Hotel**

 31st July - 1st August 2026
